

BUILDING OUR FUTURE

2012 MCGILVRA BENEFIT AUCTION

Attending the McGilvra Auction: Some Facts

We've had some questions about how tickets and tables work at this year's auction. Here's the scoop!

Auction Ticket FAQ

How Do I buy tickets to attend the auction?

In order to streamline the ticketing and check-in process we are encouraging people to purchase tickets at our web site: mcgilvraauction2012.wordpress.com (click **Buy Tickets**). You'll need to include the names of the people you are buying tickets for and their dinner selections (vegetarian or chicken/beef).

How do I pay for the tickets?

You can pay for the tickets by credit card or by check(s) made out to **McGilvra PTA**; you can drop off check(s) at the McGilvra office or mail them to:

McGilvra Elementary (1617 38th Avenue East, Seattle WA 98112), **attention: Auction.**

If you prefer not to use our online site for registration, you can drop off or mail a check to us with your registration information! Please include:

- Guest name(s).
- E-mail addresses (or phone if not available).
- Meal choices (vegetarian or non-vegetarian).

How do I get a table with friends?

The best way to ensure who you sit with is to purchase a table. You can purchase a table for 10 people and tell us who will be joining you! Tables cost \$100/seat and include premium seating and appetizers and ouzo hosted by Vios Marketplace and Café.

How do I purchase a table?

To purchase a table, register your table online at the Tickets page (see mcgilvraauction2012.wordpress.com). **You'll need to know your guest names and meal preferences.** You can pay with credit card or with checks (one or separate checks for each guest). If you pay with one check, please include a list of your guests.

If I do not purchase a table – how does seating work?

With the exception of table purchases, all other seating is on a first-come first-served basis. We will have a very special placeholder available to all auction attendees when you check in at the auction as a way to save your seat!
